

Name: Alan Peterson

Office: House of Representatives

District: 39

E-Mail Address: alankcc@q.com

Age: 59

Occupation: Electrician

Residence: Kearns

Years at residence: 55

Qualifications: Hello, I am interested in representing the citizens of District 39. Currently I'm on the Kearns Community Council, Executive Board of the International Brotherhood of Electrical Workers Local 354, a member of the National Association of Parliamentarians, and Sons of the American Legion. Among the many projects I am sponsoring are a Community Health Fair, Readiness Relay, and Farmers Market for the west side. I have been actively involved in several projects that included working with the Ronald McDonald House, Vietnam Traveling Memorial, Camp Kostopolus, St. Vincent DePaul, Wasatch Academy, and neighborhood clean ups. I recently received the Presidential Service Award for my efforts to get the names of two Veterans added to the Kearns Vietnam Memorial.

If elected, I would listen to the residents, consider their views, and understand their feelings and concerns when casting my vote as a Legislator. I would let them know this community belongs to them and that their thoughts and concerns are not only appreciated but also respected.
